Weddings at the Lake

ABOUT US

A lake, a legacy — *and a team you can trust*

Vignette Lakeside is the new home of the team behind Vignette Gardens — ten years of Miami weddings and events, now on the water at Royal Palm Estate in Cutler Bay.

The property is 44 acres wrapped around a 26-acre private lake: a lakeside ceremony pergola, a floating deck, lawns made for cocktail hour at golden hour, and a covered reception space steps from the water.

Hi — we are your venue team. Think of us as your besties, your second-opinion givers, and your go-to's for all things wedding. Our venue planners guide you through the whole process, and we always have your budget and your best interest in mind.

“You can trust us to be there every step of the way — and to help you put together the wedding of your dreams without breaking the bank.”

Tour or call

Set up a phone meeting or a tour to learn more and see the space.

2

Your proposal

We send a finalized proposal with all your details and your desired date, for you to review. Take your time — but not too long, because dates go quickly.

3

You're booked

The proposal can be paid in up to 4 payments: the first at booking, and the last one month before the big day, just in case your guest count fluctuates. Payment and contract are due at the time of booking — once we have both, you are booked.

> *That was easy — now let us take it from here, and guide you every step of the way.*

THE PERSONAL TOUCHES

What's not *included*

Just enough stays yours — so the day carries your signature.

DJ · Florist · Photographer

Day-of wedding planner · Officiant

Your officiant can be a family member. Personalized details — photos of you, a sign-in book, and the like — are yours to bring.

We didn't leave many vendors or details for you to source, because we know our couples are busy. We left just enough to let you put your own personal touch on the big day — and the next page is full of vendors we recommend.

AFTER BOOKING

What's next, *after booking*

Stress-free management and preparation for your big day.

No. 1

Book Your Group Tasting

We invite you to our group tasting 5–6 months before the big day. Think of it as a date night where we put on a mini wedding, so you can feel the experience before the day itself: try the full menu, grab some drinks, meet vendors such as DJs, florists, live artists, and wedding planners — and pick your colors and rentals.

No. 2

Final Head Count

We need your final headcount exactly one month before the big day. This is also when your final payment is due.

No. 3

Floor Plan and Timeline

In the month leading up to the big day, we provide a final floor plan and an easy template for your guests, their table numbers, and their food choices. Please hire a day-of planner to build your timeline — we need it at least one week before the wedding.

No. 4

The Rehearsal

Your rehearsal takes place 2–3 days before the big day — and it is included.

WEDDING TIMELINE

How the day *flows*

Ceremony · *5–6 PM*

Guests can arrive as early as 4:30 PM — water and lemonade are served on arrival. The earliest ceremony start is 5:00 PM. A speaker and microphone are recommended for the ceremony; they are not provided. After the ceremony, your DJ announces cocktail hour while you, the wedding party, and family take pictures in the ceremony area.

Cocktail Hour · *6–7 PM*

Passed appetizers and the open bar, for the full hour. We recommend your DJ plays music during this time — please note, we don't have speakers on site. You can use our champagne wall during cocktail hour as your seating chart: just bring the champagne glass tags with the names and table numbers.

Reception · *7–11 PM*

Bread, salad, and water are served while guests wait for the wedding party entrances. Champagne bottle service happens shortly after the first dances and before the speeches; dinner is served after speeches. The bar stays open all night. We cut your cake shortly after dinner. If you added late-night snacks, they are usually served between 9:30 and 10 PM — and entertainment should arrive around 9–9:30 to keep the party going.

Weddings at the lake — we can't wait to celebrate with you.
